About the Cover
by Mark Westerlund

Dreamwork's Brandy Pudelpointer

Versatility

Dreamwork's Brandy takes the word versatile to a new level. Besides being my oldest son's loyal companion and a great house dog, her feats in the field never cease to amaze me. Finding a wounded chukar or Blue Grouse that has sailed 400+ yards has almost become routine. The tracking and treeing of a mountain Lion was a scary surprise, but the time she followed a duck underwater and came up with a live two-pound trout has to top the list (so far). Maybe NAVHDA should add a fish retrieve to the Utility test!

In NAVHDA testing, Brandy has received a UPT Prize III, 171 points and a UT Prize II, 191 points

Chapter News

NAVHDA Welcomes Two New Chapters!

As NAVHDA's membership numbers grow, local chapters are forming to accommodate new members and offer testing and training opportunities closer to home for others.

We are very happy to welcome the following two chapters into the NAVHDA family:

The Willamette Valley Chapter (Oregon)

Please contact Luanne Austin for more information:
541/687-8596
PerfrmGrif@aol.com

The Wild Rose Chapter (Edmonton, Alberta, Canada)

Please contact Vito Caramia for more information:
780/478-1174
vitoc@telusplanet.net
